[REDACTED] a CP member, announced that the Morton Sobell Committee decided to use local radio programs to bring the Sobell case before the people. They hoped to use public opinion programs in which people who telephoned the station would be given 3 minutes air time to speak on any subject. Mrs. [REDACTED] stated that she did get on one program and was able to start a debate. b7C b7D

SF T-1 advised on February 1, 1961, that a meeting of the Sunset Club, SFCCP, was held at the home of [REDACTED] San Francisco, on January 25, 1961. She said that various activities are being planned, any or all of which will be used, depending on what the Government does with respect to SOBELL's parole. b7C b7D

[REDACTED] also spoke on SOBELL and passed out invitations to a Sobell fund-raising dinner to be held at [REDACTED] San Francisco, on February 5, 1961. b7C b7D

F. Support by the National Lawyers Guild (NLG)
(See Appendix Page)

On September 28, 1960, SF T-14 furnished a copy of the September, 1960, Convention issue of "The Guild Lawyer" with a cover page entitled "California Guild Lawyer, September, 1960, Publication (Volume 18-#7) of the National Lawyers Guild." This publication contained an article which urged the commuting of MORTON SOBELL's sentence.

SF T-2, on September 9, 1960, furnished a copy of a mimeographed bulletin issued by the NLG, 154 Nassau Street, New York 38, New York, dated July, 1960, headed "NATIONAL LAWYERS GUILD 1960 CONVENTION, RESOLUTION ON THE SOBELL CASE." This is set out verbatim below:

"In March, 1951, Morton Sobell was convicted of conspiracy to commit espionage and shortly thereafter was sentenced to 30 years in prison. He was confined in Alcatraz until 1958, and since then in Atlanta. He has from the beginning asserted his innocence.

"Without passing on the guilt or innocence of Morton Sobell, the National Lawyers Guild believes that justice now requires that Sobell's sentence be commuted and that he be released from prison. We take this position for the following reasons:

- "1. The available evidence, which has never been denied by the Government reveals that Sobell was forcibly kidnapped from Mexico and brought into the United States by the

Mexican Secret Police with the collusion of the FBI. Although this has been held by the courts not to constitute a legal defense to his being tried, such action by the Government must not only be severely condemned as a matter of principle, but seriously prejudiced Sobell in his defense.

- "2. The only direct evidence of guilt presented at the trial was the testimony of one unreliable and prejudiced witness, whose testimony was inherently improbable, and in any event did not connect Sobell with any atomic espionage.
- "3. Sobell was tried for conspiracy with Julius and Ethel Rosenberg, although no evidence in the case linked Sobell with the atomic espionage with which they were charged, and this fact necessarily operated against the possibility of an impartial consideration of Sobell's own case.
- "4. The sentence of 30 years was an excessive penalty for Sobell's offense, assuming full acceptance of the Government's case, and was far in excess of similar sentences imposed by the English courts upon Fuchs and Nunn May, who pleaded guilty to far more serious crimes. Moreover, the assignment to Alcatraz, was unnecessarily harsh. Sobell has therefore served more than a sufficient sentence.
- "5. The atmosphere at the time of Sobell's conviction and sentencing was one of great hysteria which made difficult or impossible a fair and objective treatment of Sobell's case. Now, nearly ten years later and in calmer times, we have an obligation to reappraise the circumstances and afford redress for what appears to us, and to many other Americans, a continuing injustice.

"THEREFORE BE IT RESOLVED, that the National Lawyers Guild respectfully requests the President of the United States to commute the sentence of Morton Sobell to the time now served and to release him from prison.

BAY AREA COUNCIL OF SOBELL COMMITTEES

A source advised on October 31, 1955, that the Bay Area Council of Sobell Committees (BACSC) was formed on October 17, 1955, in San Francisco, California, as the local affiliate of the National Sobell Committee, to carry out the policies of the National Committee to obtain the freedom of MORTON SOBELL.

On November 25, 1959, a second source advised that the BACSC, also referred to as the Northern California Council of Sobell Committees, is one and the same, and their headquarters is located at 345 Franklin Street, San Francisco, California, and is continuing to function and plan future Sobell affairs.

On December 18, 1959, a third source advised that MARY KRVAR, a member of the Warehouse Club, Communist Party (CP), East Bay Region, Oakland, California, and the paid organizer for the BACSC, has stated that the CP is interested in controlling the BACSC so that the BACSC will continue to follow the line of the National Sobell Committee in attempting to obtain the freedom of MORTON SOBELL.

On April 25, 1960, the second source advised that the BACSC was still active and planning future Sobell activities.

The CP, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

NATIONAL LAWYERS GUILD

The Special Committee on Un-American Activities in House Report No. 1311 on the CIO Political Action Committee dated March 29, 1944, page 149, cited the National Lawyers Guild as a Communist front.

The Committee on Un-American Activities in House Report No. 3123 on the National Lawyers Guild dated September 21, 1950 (originally released September 17, 1950) cited the National Lawyers Guild as a communist front which "is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents."

The Internal Security Subcommittee of the Senate Judiciary Committee, in its Handbook for Americans, Senate Document No. 117, dated April 23, 1956, page 91, stated that "To defend the cases of communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * National Lawyers' Guild. When the Communist Party itself is under fire these offer a bulwark of protection."

In February, 1961, source furnished a copy of a CSC letter dated February, 1961 on the stationery of the CSC, 208 North Wells, Room 309-1, Chicago 6, Illinois. This letter, which is signed DAVID L. SOLTKER, is addressed to "Dear Sustaining Contributor", and is set forth as follows:

"Since January 20th, there has been a completely new situation in the Sobell case. A new administration, with new personnel, will have before it the voluminous appeals that have been steadily mounting in Morton Sobell's behalf during the past decade.

"It has been the fervent hope of thousands of Americans that President Eisenhower would not leave office without having taken an urgent act of justice--granting a commutation of sentence to Morton Sobell.

"Now we must turn to President Kennedy for the final resolution of the case. We enter this period with tremendous strength as result of the widespread support dramatized by the November Washington gathering, which met with such excellent response. We are encouraged because so many people close to the new Administration are individuals of stature who have examined the Sobell case and stated that they believe something should be done about it, or at least listened with a sympathetic ear.

"Our basic job has been done, thanks to the efforts of so many people in many parts of the country. This work has succeeded in mobilizing the extent of support that should make any justice conscious Administration want to act. The clergy have spoken, educators have spoken, leading periodicals have written editorials, attorneys and law professors have asked for Sobell's release, organizations as a whole have begun to move, and thousands upon thousands of individuals have acted.

"We are now faced with a new task. Today's problem is setting the wheels of government in motion for Sobell's release. Need we still prove that an injustice has been done? This has been proved, and we are firmly convinced that the new Administration is very much aware of this.

CG 100-25530

"We believe that this new period requires a different emphasis in our approach, and all of the many Sobell committees all over the country are now studying a proposed basic plan of action for the new period ahead.

**"Sincerely yours
CHICAGO SOBELL COMMITTEE**

David L. Soltker".

(CG T-1, 2/8/61)

In March, 1961, source furnished a copy of a letter dated March, 1961, appearing on the letterhead stationery of the CSC, 208 North Wells Street, Room 309-1, Chicago, Illinois. This letter is addressed to "Dear Sustaining Contributor" and was signed by DAVID L. SOLTKER. In part this letter states that the CSC is moving into a new period with confidence because so many of the individuals who will be playing a prime part in the new administration are either convinced that action should be taken in Sobell's behalf or have at the minimum listened with a sympathetic ear. It goes on to state that the job to immediately start was to get the letters going to the White House and call President Kennedy's attention to the Sobell Case and the urgent need for his action. This letter further states that the CSC was asking everyone of the more than 450 clergymen and eminent individuals who had previously signed appeals to President EISENHOWER to write personal letters to President Kennedy and to their friends in the new Administration to give speedy attention to the Sobell Case.

(CG T-1, 3/15/61)

In April, 1961, source furnished a letter appearing on the letterhead stationery of the CSC, 208 North Wells Street, Room 309-1, Chicago, Illinois, which was dated April 19, 1961, and signed by DAVID L. SOLTKER. This letter sets forth a typical letter to President JOHN F. KENNEDY requesting Executive clemency in the case of MORTON SOBELL.

CG 100-25530

"Dear Friend:

"There is great hope that our new President and his Administration, in keeping with it's policy of re-examining important national issues, is taking a fresh look at the Sobell case and will act accordingly.

"The President now has before him the appeal for freedom of Morton Sobell voiced by eminent individuals, organizations, and the press.

"Below we reprint a letter, typical of so many, that the President is currently receiving encouraging him to correct an injustice that is now more than ten years old.

"Sincerely yours, /s/ DAVID L. SOLTNER David L. Soltner

-----COPY-----

January 27, 1961

"President John F. Kennedy
The White House
Washington 25, D.C.

"Dear Mr. President:

"I understand that the attorneys for Morton Sobell have taken the proper steps to reinstitute proceedings looking to pardon or, more probably, commutation to time served for Morton Sobell.

"On any theory of Mr. Sobell's guilt, the sentence imposed upon him was inexcusably severe in proportion to anything that the jury may have felt was proved against him. There were, moreover, certain irregularities in his trial which made me come to the conclusion that at least he deserved a new trial. Some other Americans of very considerable distinction were persuaded of his innocence. I do not know anyone who has been persuaded to examine the case who believes that the sentence which he now suffers, is just.

CG 100-25530

"The facts will be so well presented to the Attorney General's Office and ultimately to you that I need not dwell on them. When I was first approached I was quite unwilling to involve myself in the case. I was by no means at the beginning anxious to associate myself in any way with it. I was, however, compelled by a decent regard for justice to urge in the former Administration the course of action I now urge on you. You have the strength to act justly and in the process to educate the American people to be just even to those to whom they may not wish to be just.

"Believe me.

"Sincerely yours,

-s/ Norman Thomas"

CHICAGO COMMITTEE TO DEFEND THE BILL OF RIGHTS

The Chicago Committee to Defend the Bill of Rights (CCDDR), maintains headquarters in Room 811, 189 West Madison Street, Chicago, Illinois.

A source advised in July, 1960, that key leaders of the Communist Party (CP) met with RICHARD CRILEY, the then Executive Secretary of the Chicago Committee to Defend Democratic Rights (CCDDR), and a member of the Civil Liberties Commission, CP of Illinois. At this meeting, CRILEY indicated that the climate in the United States on civil liberties and civil rights issues had changed to the extent that it was now possible to proceed to form an organization with broader mass support than the present CCDDR. By so doing, CRILEY believed that people who would not associate themselves with the CCDDR because of the narrow scope of the purposes of this organization, that is, defense of Smith Act victims, Taft-Hartley victims, etc., would join a Civil Liberties and Civil Rights organization built around a broader issue such as the Abolishment of the House Committee on Un-American Activities (HCUA). The CP leaders, after receiving assurance from CRILEY that any new organization that might evolve would protect the Party interests in the same manner as the old CCDDR, authorized CRILEY to proceed with his plan to form a broader organization than the CCDDR.

A second source advised on October 31, 1960, that a new organization known as the Chicago Committee to Defend the Bill of Rights was formally launched in Chicago at a meeting on October 26, 1960. The stated primary purpose of the new organization was to seek the abolition of the HCUA, and RICHARD CRILEY was named as its Executive Secretary, after having been the guiding force in arranging the October 26, 1960 meeting.

The first source, in October, 1960, advised that CRILEY again attended a meeting of Illinois District CP leadership on October 28, 1960, at which time he reported on the organizational meeting of the CCDDR. CRILEY stated that the immediate purpose of his organization is to obtain mass support to abolish the HCUA, but the new Committee purposes will also include defense of Smith Act and Taft-Hartley victims. He said there will be no formal affiliation with any national organization of similar purpose; however, the CCDDR, according to CRILEY, will consult and have liaison with national organizations having the same purpose. According to the source, the CP leadership agreed with the general direction of the CCDDR as outlined by CRILEY.

The second source advised on May 15, 1961, that the CCDDR continues to adhere to the same aims and purposes and operates under the same leadership.

**CHICAGO COMMITTEE TO DEFEND DEMOCRATIC RIGHTS,
Formerly known as Chicago Joint Defense Committee
to Defeat the Smith Act**

A source advised on April 15, 1958, that the Chicago Joint Defense Committee to Defeat the Smith Act (CJDC) was formed by the Communist Party (CP) in March, 1956.

A second source advised on July 17, 1958, that at a working conference of the CJDC held on June 8, 1958, at Chicago, Illinois, the name of the CJDC was changed to the Chicago Committee to Defend Democratic Rights (CCDDR). The purpose of the CCDDR, according to its "Statement of Principles and Organization" was to "....defend and extend the human rights embodied in the Bill of Rights....and to put an end to the political and racial persecutions which threaten American democracy today."

The second source further advised on May 18, 1960, that as of May, 1960, the CCDDR continued to function within the framework of its stated principles and that in accordance with its "Statement of Principles and Organization" had a number of "Working Committees" which included the Chicago Smith Act Families Committee, South Side Freedom Committee, and Taft-Hartley Working Committee. The source further stated that as of May, 1960, RICHARD CRILEY was serving as the Executive Secretary of the CCDDR.

This same source advised on February 8, 1961, that the CCDDR continued to operate until October 26, 1960 when the Chicago Committee to Defend the Bill of Rights (CCDBR) was formed and the offices and assets of what was formerly the CCDDR were taken over by the CCDBR. At the October 26, 1960 meeting, a referendum for approval of the above described action was called for, and subsequently, votes were solicited from "associates" of the old CCDDR. The source further advised that no formal dissolution meeting of the CCDDR was ever held, but for all intents and purposes, the CCDDR ceased to exist on October 26, 1960, and the new CCDBR has functioned under the guidance of RICHARD CRILEY, its Executive Secretary, since that time.

RICHARD CRILEY, according to a third source, was a member of the State Committee, CP of Illinois, as of February, 1961.

CHICAGO COUNCIL OF AMERICAN SOVIET FRIENDSHIP

EDWIN GORDON FOX, 7147 Jeffrey Avenue, Chicago, Illinois, (now deceased), made available in January, 1954, the "First Annual Report CCASF", an undated publication which stated that the Chicago Council of American Soviet Friendship (CCASF) was incorporated in July, 1943. This document stated, "The Council's affiliation with the National Council of American Soviet Friendship (NCASF) was validated August 11, (1943). The present name was adopted to conform to standard national practice. It should be noted, however, that the Chicago Council is entirely autonomous; the government of its affairs rests exclusively in the hands of its Chicago Executive Board."

A source advised on May 18, 1961 that the CCASF at its annual membership meeting held January 28, 1961, reaffirmed that the main aims of the Council for the year 1961 would be as they had been in the past, that of creating a program of activity with the objective of peaceful co-existence and friendship between the United States and the USSR.

This same source also advised on May 18, 1961, that the CCASF remains affiliated with the NCASF for the purpose of implementing its stated aims of peaceful co-existence and friendship with the USSR, but continues to consider itself autonomous in the government of its affairs and program for achieving these aims. Although the CCASF considers itself autonomous in this regard, the leaders of the CCASF are frequently in contact with and its program closely follows that of the NCASF.

The NCASF has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

**CHICAGO SOBELL COMMITTEE, Also Known As
Chicago Committee to Secure Justice for
Morton Sobell**

On May 15, 1961, a source stated that the address of the above captioned organization is Room 309-1, 208 North Wells Street, Chicago, Illinois.

Source advised on May 15, 1961 that the Chicago Sobell Committee, which is also known as Chicago Committee to Secure Justice for Morton Sobell, and was formerly known as Chicago Rosenberg-Sobell Committee and Chicago Committee to Secure Justice in the Rosenberg Case, is a small group of volunteers who do Sobell fund raising and programing in the Chicago area. The Chicago Committee, since its inception in 1952, has been an affiliate of the Committee to Secure Justice for Morton Sobell, which is also known as the National Committee to Secure Justice for Morton Sobell, and was formerly known as the National Committee to Secure Justice in the Rosenberg Case, with headquarters in New York.

Source said that to his knowledge this committee has no full-time employees nor any volunteers who have national positions or titles. DAVID SOLTKER and SYLVIA LEVINSON appear to be the guiding forces behind this committee and they are assisted by GERTRUDE SOLTKER, wife of DAVID SOLTKER, and former chairman of this committee who continues to be active in Sobell activities.

Another source advised during May, 1961, that the Chicago Sobell Committee maintains a bank account at the Amalgamated Trust and Savings Bank, 111 South Dearborn, Chicago, Illinois, and that DAVID SOLTKER is listed in this bank account as the Secretary of the Chicago Sobell Committee.

The above information cannot be made public except in the usual proceedings following issuance of a subpoena duces tecum.

The files of the Special Committee on Un-American Activities, House of Representatives, as reviewed in August, 1943, reflected that the names of DAVID and GERTRUDE SOLTKER appear as signers on the Communist Party election petition submitted to the State of Illinois in 1940.

Another source in 1943 advised that GERTRUDE SOLTKER, as of 1943, was a member of the Communist Party.

Another source furnished information in 1949 which indicates that at that time SYLVIA LEVINSON was Vice Chairman of the Congress of American Women.

The Communist Party and the Congress of American Women have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

CHICAGO SCHOOL OF SOCIAL SCIENCE

A source advised on March 15, 1961, that the Chicago School of Social Science was initiated, planned and organized by the Educational Commission of the Communist Party (CP) of Illinois in late 1960. A School Committee consisting of eight members of the Educational Commission, CP of Illinois, was named to conduct the day-to-day affairs of the school. [REDACTED] State Committee member, CP of Illinois, [REDACTED] Educational Commission, has over-all responsibility for running the school. b7C

The Chicago School of Social Science holds classes at 333 West North Avenue, Chicago, such classes being instructed by CP members of the CP of Illinois. The aim of the school is to instruct Communists in Marxism-Leninism and to provide a base of contemporary subjects which will attract non-Communists, thereby broadening the scope of Party activities and attracting new people to further Party membership.

**COMMITTEE TO SECURE JUSTICE
FOR MORTON SOBELL**

"Following the execution of atomic spies ETHEL and JULIUS ROSENBERG in June, 1953, the 'Communist campaign assumed a different emphasis. Its major effort centered upon MORTON SOBELL, the ROSENBERGS' codefendant. The National Committee to Secure Justice in the Rosenberg Case - a Communist front which had been conducting the campaign in the United States - was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953, and 'then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg case'...."

(Guide to Subversive Organizations and Publications" dated January 2, 1957, issued by the House Committee on Un-American Activities, page 60.)

In September, 1954, the name "National Committee to Secure Justice for Morton Sobell" appeared on literature issued by the Committee. In March, 1955, the current name, "Committee to Secure Justice for Morton Sobell," first appeared on literature issued by the Committee.

The 1960-1961 Borough of Manhattan telephone directory lists the "Committee to Secure Justice for Morton Sobell" as being located at 940 Broadway, New York, New York.

FAIR PLAY FOR CUBA COMMITTEE
CHICAGO CHAPTER

A source advised in October, 1960, that the Chicago Chapter of the Fair Play for Cuba Committee (FPCC) was formed during the summer of 1960 at Chicago, Illinois, under the direct guidance and leadership of RICHARD CRILEY, a member of the State Committee, Communist Party (CP) of Illinois.

The Headquarters of the FPCC, Chicago Chapter, are at 180 North Wacker Drive, Chicago, Illinois.

A second source, in August, 1960, furnished a leaflet entitled, "What is Really Happening in Cuba?", distributed by the FPCC, Post Office Box 4555, Chicago 80, Illinois. The aims and purposes of the FPCC as set forth in this leaflet include the following: "To disseminate the truth, to combat untruth; to publish and distribute factual information which the United States mass media suppresses. In general, to contribute to foundations for peace, friendship, and understanding between ourselves and the Cuban people." The leaflet reflects the FPCC plans to accomplish these aims: "By mailing of informational bulletins; organizing public meetings and forums; providing speakers, movies, and slides for meetings of interested organizations; placing ads in newspapers; to visit Cuba and see for themselves what conditions really are."

The first source added that at a meeting of the Chicago Chapter, FPCC, held in Chicago on July 28, 1960, it was mentioned that the membership dues in the FPCC were \$5 per year and it was decided by those present at the meeting that payment of the \$5 dues would entitle one to dual membership in the national organization as well as the Chicago Chapter.

A third source advised that as of May, 1961, this Committee continued to exist, with the same aims and purposes, but under the direction and leadership of former Communists, members of the Socialist Workers Party (SWP), and others, who are pro-CASTRO supporters.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What is Really Happening in Cuba", placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961 reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times".

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party (CP) members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA have been designated by the Attorney General of the United States pursuant to Executive Order #10450.

**COMMITTEE FOR FREEDOM OF THE PRESS, also known
as Illinois Committee for Freedom of the Press**

A source advised on May 11, 1961, that the Illinois Committee for Freedom of the Press (ICFP) was formed in the latter part of November, 1951, and then, as now, was composed of a band of Communist Party (CP) members and sympathizers, who activate when fund raising drives and subscription campaigns are necessary for the welfare of "The Worker."

Another source advised on May 15, 1961, that the Committee for Freedom of the Press, also known as the Illinois Committee for Freedom of the Press, cannot be separated from the CP itself. It is not an organization as such with a program, elected officers, offices, etc. In fact, it is an arm of the CP and in the main is used by the CP to further the subscription drives of "The Worker" and for the CP to utilize as a name only to sponsor CP meetings which otherwise would have to be held under the announced sponsorship of the CP.

This source advised on May 15, 1961, that the purpose of the use of the name Freedom of the Press Committee, instead of the Communist Party, at meetings is to increase attendance by those individuals who otherwise would not attend if the meetings were in the announced sponsorship of the CP.

The CP, USA, has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

"The Worker" is an East Coast Communist weekly newspaper.

ILLINOIS COMMITTEE FOR PEACEFUL ALTERNATIVES

Source, on May 20, 1960, advised that the Illinois Committee for Peaceful Alternatives (ICPA) was founded at the St. James Methodist Church, 4611 South Ellis Avenue, Chicago, Illinois, on May 29, 1950. Source stated that this committee was once an affiliate of the now defunct National Committee for Peaceful Alternatives (NCPA).

Source further advised that the ICPA was composed of intellectual and religious workers and its program called for negotiated peace and for peaceful settlement of all differences between nations. The committee advocated more friendship internationally and was opposed to the so-called "cold war" aggressive foreign policy of the United States.

The same source, on January 6, 1961, advised that the South Shore Committee for Peaceful Alternatives (SSCPA), the last remaining division of the ICPA, dissolved on December 18, 1960. Source said that DOROTHY HAYES was Chairman of the SSCPA at the time of its dissolution.

During July, 1960, another source advised that DOROTHY HAYES, as of that date, was a member of the State Committee of the Communist Party (CP) of Illinois.

[REDACTED] Chicago, Illinois, a member of the CP from about 1944 to 1948, advised on June 26, 1957, that the NCPA was formed as a result of the Mid-Century Conference for Peace held in Chicago about May, 1950, with the initiating force being the Committee for Peaceful Alternatives (CPA) of New York. According to the source, subsequently local chapters were formed in various states, including Illinois, and the NCPA became known as the CPA. This national organization continued to exist in Chicago until about 1955, when it became defunct. According to the source, the stated purposes of the organization generally were to promote peace through negotiation, to prevent atomic wars, and promote peaceful co-existence. It was a broad mass organization consisting of people interested in peace, including ministers, intellectuals, scientists, etc. The organization was infiltrated by and used, but never controlled by the CP. b7C b7D

The CP, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

NATIONAL LAWYERS GUILD
CHICAGO CHAPTER

A source advised on May 22, 1961, that it was his understanding that the National Lawyers Guild (NLG) was formed around 1936 in New York City and that the Chicago Chapter of the NLG (CCNLG) was formed shortly thereafter, possibly in 1937, by a group of liberal progressive lawyers in protest against the non-liberal, non-progressive American Bar Association. The CCNLG has no established headquarters but occasionally uses the return addresses of its officials on literature. The current CCNLG President is PEARL M. HART, who is also a member of the NLG National Executive Board.

On June 23 and 26, 1951, LOUIS F. BUDENZ, former national Communist Party (CP) functionary, advised that PEARL HART, a Chicago attorney, was introduced to him as a member of the CP. He also reported that he was repeatedly advised through reports by an Illinois CP leader in the National Committee meetings, and through instructions to him from national CP leaders, that HART continued to be a member of the CP up to at least October, 1945.

NATIONAL LAWYERS GUILD

The National Lawyers Guild has been cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents".

(Committee on Un-American Activities, House Report 3123 on the National Lawyers Guild, September 21, 1950, originally released September 17, 1950.)

MIDWEST COMMITTEE FOR PROTECTION OF FOREIGN BORN

The Midwest Committee for Protection of Foreign Born (MCPFB) maintains offices at Room 406, 189 West Madison Street, Chicago 2, Illinois.

On July 16, 1947, [REDACTED] a member of the Communist Party (CP) from 1944 to about 1948, advised that the MCPFB was founded at a conference held in Chicago, Illinois, on May 25, 1947, and that the MCPFB was to operate as the Midwest organization of the American Committee for Protection of Foreign Born (ACFPB). b7C b7D

On May 3, 1955, a source advised that in a "Statement of Principles" issued in April, 1955, by the MCPFB, it was noted that "The purpose of the Midwest Committee shall be to seek to perpetuate for the foreign born the fundamental concepts of equality regardless of race, color, creed, nationality, political belief or place of birth, and to preserve the basic ideals of liberty and hospitality which serve as the guarantees of democracy for all Americans."

A second source as of May 12, 1961, advised that the MCPFB continued to function as the Midwest organization of the ACPFB and still adhered to its "Statement of Principles" last published in 1955.

The ACPFB and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

SOCIALIST WORKERS PARTY
CHICAGO BRANCH

A source advised on May 1, 1961, that it was his understanding that the currently active Chicago Branch of the Socialist Workers Party (SWP) was one of the founding branches of the SWP at a 1938 Chicago Trotskyist Convention, and it follows the aims and principles of the SWP which maintains national headquarters in New York City.

Members of the Chicago Branch serve on the SWP National Committee and per capita membership dues and a sustaining fund quota are sent by this branch on a monthly basis to SWP National Headquarters.

The Socialist Workers Party has been designated by the Attorney General of the United States pursuant to Executive Order #10450.

Re: Julius & Ethel Rosenberg
(The Atom Spies)

Mr. President:

I am taking the liberty of writing directly to you in order that you be personally informed in regard to information that I possess, given directly to me by Julius Rosenberg, which has been communicated to the Federal Bureau of Investigation and upon which no action has been taken.

Nearly three months ago, I contacted one [REDACTED] a former FBI Agent in charge of the Nevada area and [REDACTED] who, in turn, had my written communication forwarded to Mr. J. Edgar Hoover. The communication was relative to materials and plans stolen from our allegedly highly secure atomic site at Los Alamos. In the communication I specifically stated that I knew the person who stole the missing uranium; the present whereabouts of same, etc.

While I have the utmost respect for the FBI as an organization, I deem the laxity in this matter as unforgiveable. In fact, during the entire operation of the Russian spy ring in association with Julius and Ethel Rosenberg, et al, it appears from the records that our vaunted FBI were asleep. Official records disclose that it was actually the work done by the British Intelligence Service that culminated in the capture of the Rosenbergs et al in this country.

Incidents like the present one are often the reason for organizations springing up in our midst similar to the John Birch clan.

There is attached one copy of a letter directed to the President of the United States by [redacted]. In this letter he claims to have received information from Julius Rosenberg and to have furnished this information to [redacted] for transmittal to the Bureau. Bufiles fail to show any information was received concerning the Rosenberg case from [redacted].

[redacted] is probably identical with [redacted] who was in the death house at Sing Sing Prison at the same time the Rosenbergs were there. [redacted] parents were beaten to death in [redacted] and he was convicted of their murders. He had three trials and all resulted in conviction and the death sentence. Finally after his third conviction, the Appellate Court reversed his conviction and dismissed the indictment. He was freed in May, 1956.

In October, 1956, he wrote a series of sensational type articles for [redacted] relating his experiences in the death house. In one article he gave his impressions of the Rosenbergs but said nothing to indicate he had received any information from Julius Rosenberg.

You should contact [redacted] and determine if he ever received such information. If he did, you should determine what disposition was made of it. You should also determine what information [redacted] has concerning [redacted]. The results should be incorporated in a letterhead memorandum and submitted to the Bureau along with your recommendations for any further investigation or interviews you feel should be conducted. The Bureau does not feel that any interview of [redacted] should be conducted until such time as the results of [redacted] have been received.

A copy of the letter from [redacted] to the President is enclosed for the information of the New York Office.

FROM : SAC, LAS VEGAS (65-11)

~~SECRET~~SUBJECT: JULIUS ROSENBERG
ESPIONAGE - R

ReBulet to Las Vegas dated 8/29/61.

Enclosed herewith are five copies of letterhead memorandum in captioned matter to Bureau, and one copy for New York.

Based on the interview with [REDACTED] conducted by SA LOTE KINNEY, JR., it is doubtful that [REDACTED] has any definite pertinent information. [REDACTED] stated that [REDACTED] referred to the uranium as being located in the Hudson River, but did not become more specific in this regard. It appears that [REDACTED] is attempting to capitalize on the fact that he was in prison with JULIUS ROSENBERG. Further, if [REDACTED] did possess information in this matter, it would seem likely that he would have come forward with it, without any conditions, prior to this time. b7C b7D

Inasmuch as [REDACTED] has made the conditions of a staged production in return for questionable information, no further action is being taken. b7C

JULIUS ROSENBERG

Las Vegas, Nevada, furnished the following information on
September 11, 1961:

[REDACTED] became aware of [REDACTED]
through inquiry made to [REDACTED] by the chairman of
a civic group in Las Vegas, Nevada, in the early part of
1961. [REDACTED] had requested this person to edit a book which
was written by [REDACTED] at this time, was employed at
the McDonald Hotel, Las Vegas, Nevada. [REDACTED] approached
[REDACTED] with a proposal intimating that he possessed
information obtained from JULIUS ROSENBERG. [REDACTED] at this
time, made a number of demands from [REDACTED] re-
garding the handling of this information. Following this
meeting, [REDACTED] sent [REDACTED] a letter and a script
form of a documentary he had prepared to be used when he
furnished the information possessed to the Federal Bureau of
Investigation. [REDACTED] stated that he did not
forward this information to the FBI when he received it be-
cause it contained a number of things which he knew Director
J. EDGAR HOOVER would not accept. [REDACTED] said
that he knew Director HOOVER couldn't meet the demands laid
down by [REDACTED] in return for supposed information received
from JULIUS ROSENBERG. [REDACTED] further stated that
he felt certain that Director HOOVER would not want to get
mixed up with this three-time convicted murderer. b7C b7D

[REDACTED] has attempted to claim a close association
with [REDACTED], which is not true. According to
[REDACTED] he has intentionally attempted to avoid
[REDACTED] because [REDACTED] has falsely given the impression to
people that he and [REDACTED] are close friends. In
the opinion of [REDACTED] proposal is
merely a pure commercial maneuver to make some money and a
means to get some prominence. [REDACTED] believes that
[REDACTED] has no patriotic interest toward the United States in
offering his information, but has only a desire to obtain some
professional stature as a writer. [REDACTED] gives the impression

Dear Mr. [REDACTED] b7C b7D

Confirming our conversation of even date, please be advised that in reference to the "ATOM SPIES", Julius Rosenberg, Ethel Rosenberg, David Greenglass, Morton Sobell, et al, I am prepared to reveal to Mr. J. Edgar Hoover, Director of the F.B.I. the entire story as told by Julius Rosenberg to me in the death house at Sing Sing prison, Ossining, New York.

The pertinent material will consist of the revelation of the present whereabouts of the uranium that was stolen from Los Alamos. Secondly, Julius Rosenberg's story to me regarding the implosion fuse, the knowledge of which came into his possession while he was working at Fort Monmouth, New Jersey and the details of how this information was given to the Soviet Union.

By further advised that I shall insist upon the F.B.I. subjecting me to a lie detector test so that there will be no doubts in the mind of Mr. Hoover as to the authenticity of the material I possess regarding the "ATOM SPIES."

NARRATOR (OFF SCREEN)

An indictment was filed on August 17, 1950 and returned on January 31, 1951 against Julius Rosenberg, Ethel Rosenberg, Morton Sobell, Anatoli Yakovlev, also known as "John", and David Greenglass.

On January 31, 1951 a superceding indictment was filed, a severance was granted as to Anatoli Yakovlev and David Greenglass. Yakovlev had fled to Russia and Greenglass had pleaded guilty.

The trial began before Judge Irving R. Kaufman in the Southern District of New York on March 6, 1951 and ended on March 29, 1951 at 10:01 A.M. when the jury returned its verdict of "GUILTY".

Side to not miss waiting news of verdict.

NARRATOR

On April 5, 1951, Judge Irving Kaufman pronounced the sentence of death upon Julius and Ethel Rosenberg for the crime of TREASON against the UNITED STATES OF AMERICA.

David Greenglass and Morton Sobell were each given sentences of thirty years imprisonment for their part in the treason against the United States of America. During the trial, overwhelming evidence was elicited proving that this spy ring had given our top secrets regarding the Atom Bomb to Russia. It was this information that enabled Russia to possess the A-Bomb and the Hydrogen Bomb years in advance of the normal time it would have taken their scientists to discover it.

On the day of sentence, Judge Kaufman said of the Rosenbergs: "In the case before me, the conspiracy as alleged and proven commences on and about June 6, 1944, at which time the Country was at war. Overt acts were committed during the period of actual hostilities. Espionage, as viewed here today, does not reflect the courage of a Nathan Hale risking his life in the service of his own country, it is rather a sordid, dirty work, - however, idealistic are the rationalizations of the persons who engaged in it, - with but one paramount theme, the betrayal of one's own country."

"Citizens of this Country who betray their fellow countrymen can be under none of the delusions about the benignity of Soviet power that they might have

JULIUS ROSENBERG

~~SECRET~~

been prior to World War II. The nature of Russian terrorism is now self-evident. Idealism as a rational dissolves."

"The issue of punishment in this case is presented in a unique framework of history. It is so difficult to make people realize that this Country is engaged in a life and death struggle with a completely different system. This struggle is not only manifested externally between these two forces, but this case indicates quite clearly that it also involves the employment by the enemy of secret as well as overt outspoken forces among our own people. All of our democratic institutions are, therefore, directly involved in this great conflict. I believe that never at any time in our history were we ever confronted to the same degree that we are today with such a challenge to our very existence. The Atom Bomb was unknown when the Espionage Statute was drafted. I emphasize this because we must realize that we are dealing with a missile of destruction which can wipe out millions of Americans."

"The competitive advantage held by the United States in super-weapons has been a premium on the services of a new school of spies - the home-grown variety that places allegiance to a foreign power before loyalty to the United States. The punishment to be metered out in this case must, therefore, serve the maximum interest for the preservation of our society against these traitors in our midst."

Judge Kaufman further stated; "I consider your crime worse than murder, Plain, deliberate, contemplated murder is dwarfed in magnitude by comparison with the crime you have committed. In committing the act of murder, the criminal kills only his victim. But in your case, I believe your conduct in putting into the hands of the Russians

the Atom Bomb years before our best scientists predicted Russia would perfect the Bomb has already caused, in my opinion, the Communist aggression in Korea, with the resultant casualties estimating 50,000 and who knows but that millions more of innocent people may pay the price of this Treason. Indeed, by your betrayal you undoubtedly have altered the course of history to the disadvantage of our Country. No one can say that we do not live in a constant state of tension. We have evidence of your treachery all around us every day - for the Civilian Defense activities throughout the nation are aimed at preparing us for an Atom Bomb attack."

"The defendants are American citizens. They benefited from our system of free higher education. I also assume that the basic Marxist goal of other revolutions and the destruction of capitalism was all known to the defendants, if in fact not subscribed to be them, when they passed what they knew was this nation's most deadly and closely guarded secret weapon to the Soviet agents. In the light of the circumstances, I feel that I must pass such sentence upon the principals in this diabolical conspiracy to destroy a God-fearing nation, which will demonstrate with finality that this nation's security must remain inviolate; that traffic in military secrets, whether prompted by slavish devotion to a foreign ideology or by a desire for monetary gains must cease."

"What I am about to say is not easy for me. I have deliberated for hours, days and nights; I have carefully weighed the evidence. Every nerve, fiber of my body has been taxed. I am just as human as are the people who have given me the power to impose

sentence. I am convinced beyond any doubt of your guilt. I have searched the records - I have searched my conscience - to find some reason for mercy - for it is only human to be merciful and it is natural to try to spare lives. I am convinced, however, that I would violate the solemn and sacred thrust that the people of this land have placed in my hands were I to show leniency to the defendants, Rosenberg. It is not in my power, Julius and Ethel Rosenberg, to forgive you. Only the Lord can find mercy for what you have done."

"The sentence of the Court upon Julius and Ethel Rosenberg is, for the crime for which you have been convicted, you are hereby sentenced to the punishment of death, and it is ordered upon some day within the week beginning with Monday, May 21st, you will be executed according to law."

This recovery of the uranium conclusively proves that while the Rosenbergs, Greenglass and their cohorts, were fantastically clever in stealing Government secrets and giving them to Russia - the fact that they were able to steal uranium from one of our most highly secret and guarded missile sites was in vain, for the uranium never got to Russia.

Reference is made to your letter dated August 21, 1961, which enclosed a letter which [redacted] of Las Vegas, Nevada, had sent to the President. In that letter [redacted] claimed he had information which Julius Rosenberg had given to him and which had been sent to the Bureau through [redacted] and no action had been taken. b7C

There is attached a memorandum dated October 10, 1961, at Las Vegas which sets out information concerning [redacted] and his contact with [redacted]. For your information, [redacted] is identical with [redacted] who was convicted [redacted] of murdering both his parents. He was tried and convicted three times. He finally was successful in winning a reversal of the conviction and a dismissal of the indictment. b7C

As set forth in the attached memorandum [redacted] claims to have information about missing uranium and [redacted] advised that [redacted] vaguely mentioned the Hudson River as its location. This probably is a reference to the uranium sample which David Greenglass took from Los Alamos and disposed of by throwing it into the East River. [redacted] mentions information concerning the implosion fuse which Rosenberg learned about while working at Ft. Monmouth. This probably refers to the proximity fuse which Rosenberg told David Greenglass he stole from the Emerson Electric Company while employed there. b7C b7D

In view of the fact that [redacted] is obviously attempting to seek publicity for his alleged literary efforts, no further action will be taken by this Bureau in this matter. b7C

This is to recommend that [REDACTED] not be interviewed and information pertaining to him received from [REDACTED] Nevada, be furnished to the Internal Security Division.

b7C b7D

Assistant Attorney General J. Walter Yeagley by letter of 8/21/61 furnished a letter dated 4/25/61 written by [REDACTED] Las Vegas, to President Kennedy. [REDACTED] claimed he furnished information to the FBI by way of [REDACTED] which information he had personally received from Julius Rosenberg, executed Soviet agent. [REDACTED] also included remarks critical of the Bureau.

b7C b7D

[REDACTED] is identical with [REDACTED] who was convicted of killing both his parents in [REDACTED]. He was tried and convicted three times and won reversals each time and finally had the indictment dismissed in 1956. On his release he wrote a series of sensational-type newspaper articles concerning his experiences in the death house and mentioned his impressions of Rosenberg.

b7C

[REDACTED] when interviewed, advised [REDACTED] approached him and intimated he had information about the Rosenbergs and made a number of demands in connection with furnishing any information. He later sent [REDACTED] a script of a documentary-type television show he had prepared in which he, [REDACTED] was the star in furnishing information about the Rosenberg case.

b7C b7D

In an accompanying letter [REDACTED] said he was prepared to give the information to Mr. J. Edgar Hoover. He said he insisted on being given a lie detector test and stated the Director would have to give him exclusive rights to filming the story. He also demanded the information he gave the Bureau would not be released until he completed his television film.

EX-112 REC-48

65-58236-2392

A review of this letter and script, which are set out in memorandum form, shows several errors in [REDACTED] part. He mentioned he would reveal the location of uranium stolen from Los Alamos. [REDACTED] stated that [REDACTED] made a vague reference to uranium having been thrown in the Hudson River. He stated he would also tell of the story Rosenberg told him concerning Rosenberg's knowledge of the implosion fuse obtained while working at Ft. Monmouth and how this information got to Russia.

Re: JULIUS ROSENBERG

The missing uranium is probably a reference to the uranium souvenir which David Greenglass took from Los Alamos and which he said he threw into the East River. The mention of the implosion fuse is probably an erroneous reference to the proximity fuse which Rosenberg told Greenglass he took from Emerson Electric Company.

This proposed script calls for the Director to meet [REDACTED] in either Las Vegas, Washington, D. C. or New York City. It includes photographs of Mr. Hoover and staff interviewing [REDACTED] and concludes with Mr. Hoover thanking [REDACTED] on behalf of the FBI and the American people.

b7c

OBSERVATIONS:

[REDACTED] is obviously attempting to cash in on the fact that he was in the death house at the same time Julius Rosenberg was there. He is attempting to use the Director and the FBI in an attempt to make this proposed television film newsworthy. It is not believed that we should have anything to do with this publicity-seeking individual who has been found guilty of killing his parents by three different juries.

ALL INFORMATION CONTAINED

The purpose of this memorandum is to review the galley proof of the above-captioned book. This galley proof was loaned to the Bureau by [REDACTED], who reviewed it for possible purchase and use in [REDACTED] libraries.

THE AUTHOR:

[REDACTED] is a newspaper writer [REDACTED]. He is now on leave from the [REDACTED] to write this book.

THE PUBLISHER:

[REDACTED] Incorporated, has published a book entitled [REDACTED]. This book by [REDACTED] was published in 1951.

THE PUBLICATION:

The author claims his is the first objective story of the Rosenbergs' case. He states that he has relied on books, the trial record and other printed accounts of the Rosenbergs' case in his retelling of the story.

The author traces the lives of Julius and Ethel Rosenberg from their childhood in poverty in the Lower East Side of New York through the depression era and World War II and leaves the impression that the poverty and the depression period led them into the Communist Party. [REDACTED] attempts to present his ideas of the public feeling in 1950 at the time of the arrest of the Rosenbergs and points out that the people were shocked to find out that within five years after the victories of World War II we

were faced with another enemy, namely Russia. Thus he said the public was relieved when the Director announced the arrest of the Rosenbergs as communist spies. The author discusses the Security of Government Employees program and in so doing criticizes the Bureau for "poking into the lives of too many people." [REDACTED] said it was not until after World War II that the Bureau acquired unprecedented investigative authority, which came about when the nation realized it could not trust Russia. [REDACTED] does not mention or is unaware of the Presidential Directive of 1939 by which the Bureau was directed to handle investigations in the security field.

b7C

The description of the trial, the numerous appeals, the actions of the National Committee to Secure Justice in the Rosenberg Case, and the execution of the Rosenbergs are given in a basically factual manner.

COMMENT:

This book is, at best, a rehash of an oft-told story and has no particularly new or novel approach to the subject. It will probably have a limited popular appeal.

ACTION:

New York has previously been instructed to obtain this book when published in [REDACTED]. When it is received it is recommended that it be placed in the Bureau library. The galley proof will be returned to [REDACTED] by liaison.

This memorandum is prepared for informative purposes. *K. H. H. H.*

"The Worker," East Coast communist paper for 5/26/63, carries an article which discusses a portion of a book entitled "The Ordeal of Power," written by Emmet John Hughes, described as a former speech writer for President Eisenhower. According to this article, Hughes in this book tells of a discussion by the Eisenhower Cabinet of the Rosenberg-Sobell case and the fact that Eisenhower was "impressed by all the honest doubt about this expressed in the letters I've been seeing." The book continues that Attorney General Herbert Brownell replied to the President, "I've always wanted you to look at evidence that wasn't usable in court showing the Rosenbergs were the head and center of an espionage ring in the country." The article continues that Mrs. Morton Sobell, the wife of convicted Soviet agent Morton Sobell, has challenged Mr. Brownell to make such information public. *W.L.S.*

It should be noted that we furnished information to the Attorney General by letters dated 1/9 and 6/5/53 prior to the execution of the Rosenbergs on 6/19/53. The first letter set out a concise summary of the pertinent data in Bureau files concerning the espionage activities of the Rosenbergs. Included was information from *b1*

This letter also included information furnished by Jerome Tartakow, confidential informant whose identity has not been revealed. Tartakow was a fellow inmate of Julius Rosenberg at the Federal House of Detention, and he gave information about conversations he had with Rosenberg over a period of several months. Rosenberg told him of his espionage activities, detailing his meets with Soviets, and the fact that Ethel Rosenberg was a very capable person. In addition, Rosenberg told how he had spent 17 hours with William Perl and two other men on 7/4/49 photographing material Perl had taken from Columbia University.

MORTON SOBELL
ESPIONAGE - RUSSIA

SYNOPSIS:

Kunstler, Kunstler and Kinoy, attorneys for Morton Sobell, convicted espionage agent, have asked the Bureau for the original registration cards for Harry Gold of the Hotel Hilton, Albuquerque, for June 3 and September 19, 1945, in order that their handwriting expert may examine same. Attorneys plan to file a motion to set aside the verdict. Basis for motion probably based on book "Invitation to an Inquest" by Walter and Miriam Schneir, published in August, 1965, which attacked the Government's case against Rosenberg and Sobell. The Schneirs claim Gold was not in Albuquerque June 3, 1945, and suggest strongly that the FBI forged the registration card in order to establish Gold's presence there on that date to buttress a bank deposit made by Greenglass on 6/8/45.

Schneirs claim of forgery based on fact that face of card has written date of June 3, 1945, and reverse side has date and time stamp of June 4, 1945. By comparison of photostat of this registration card with that of registration card of September 19, 1945, when Gold was again in Albuquerque, Schneirs reach conclusion that June card is a forgery. Our files show we noted difference of dates in June, 1960, and hotel manager explained all cards for June 3, 1945, had date and time stamp of June 4, 1945, probably due to the machine erroneously setting date for June 4.

Photostat of June 3, 1945, registration card was used as evidence at trial in accordance with stipulation of all Defense Attorneys. Registration card retained by hotel and destroyed in regular course of business. Registration card of 9/19/45 not introduced as evidence and original destroyed by New York Office in 1960 in normal course of purging files.

This memorandum recommends that the attorneys for Morton Sobell, convicted espionage agent, be advised the originals of hotel registration cards for Harry Gold who stayed at the Hotel Hilton in Albuquerque on two occasions in 1945 are no longer available.

BACKGROUND:

By letter dated August 31, 1965, William N. Kunstler of the law firm of Kunstler, Kunstler, and Kinoy, attorneys for Morton Sobell, advised that during the trial of Sobell and the Rosenbergs in 1951 a photostat of what purported to be a registration card of the Hotel Hilton, Albuquerque, for June 3, 1945, in the name of Harry Gold was introduced into evidence; that he understands our Agents visited the Hilton Hotel in May, 1950, and procured this card as well as a card for the registration of Gold at the same hotel on September 19, 1945. Kunstler requested their handwriting expert be permitted to examine the original cards if in the possession of the Bureau and, if not, his firm be advised of the exact whereabouts of the cards. Kunstler asked for this information in connection with a petition to be filed on behalf of Sobell under Title 28 United States Code, Section 2255. (Section 2255 provides for a motion on behalf of a prisoner to vacate, set aside or correct his sentence on various grounds.)

This new legal action is probably based on information set forth in a book entitled "Invitation to an Inquest" by Walter and Miriam Schneir, published in August, 1965, which attacks the Government's case against the Rosenbergs and Sobell. One of the witnesses in that case was Harry Gold, admitted Soviet agent who acted as a courier between his principal and Klaus Fuchs, British scientist and admitted Soviet agent. Gold testified that in June, 1945, he went to Santa Fe, New Mexico, to meet Fuchs and on instructions from his superiors, went to Albuquerque (sixty miles from Santa Fe) to contact David Greenglass. He arrived in Albuquerque about 8:30 p.m. on June 2, 1945, and went to the Greenglass home and found no one there. He spent the night in a rooming house and on Sunday morning June 3, 1945, he registered in

the Hilton Hotel in Albuquerque paying the day rate of \$1.50. He contacted Greenglass that day and left for New York that evening. During the trial Defense Counsel agreed to admit a photostat of the registration card of the Hilton Hotel, dated June 3, 1945, to be introduced into evidence by the Government making it unnecessary for a representative of the hotel to travel to New York to identify the original document.

ACCUSATIONS MADE IN BOOK:

The Schneirs in the book noted that the photostat of the registration card had a handwritten time of June 3, 1945, on the face but a time and date stamp of June 4, 1945, on the reverse side. Since Gold had also registered at the same hotel on September 19, 1945, the authors had photostats of the registration cards with both dates examined by Mrs. Elizabeth McCarthy, an alleged handwriting expert. McCarthy is the same individual who appeared in the Alger Hiss case attempting to prove "forgery by typewriter." McCarthy expressed doubt that the June, 1945, card was filled out by the hotel clerk and the statement is made in the book that McCarthy would like to examine the originals of the cards.

The Schneirs also note that the September 19, 1945, card had the initials of Agents of the FBI and a hotel representative while the June 3, 1945, had only the initials of the hotel manager. From these allegations the authors make a strong suggestion that the June 3 card is a false one manufactured by the FBI in order to place Gold in Albuquerque on June 3 since on June 4 a deposit was made in the Greenglass bank account of a portion of the money which Gold gave to the Greenglasses. The authors feel that Gold was not in Albuquerque on June 3 and, therefore, did not give any money to the Greenglasses. The authors also make the statement that the September 19, 1945, card was not introduced into evidence and referred to it as being "suppressed by the Government."

The authors also feel that United States Attorney deliberately used the photostat of the June registration card in order to avoid having a representative of the hotel appear on the stand and subjected to cross-examination concerning the conflict in dates.

CHECK OF BUREAU FILES:

Our files show that the Albuquerque Office obtained the registration card of June 3, 1945, from Fletcher L. Brunit, manager of the Hotel Hilton, and forwarded this to the Bureau by letter dated June 7, 1950. This letter also points out that Mr. Brunit

Memorandum Branigan to Sullivan
RE: MORTON SOBELL

was asked about the discrepancy in the dates and he stated that all the registration cards received in the hotel on June 3, 1945, were stamped June 4 and he offered the opinion that through mechanical error the time and date stamp machine erroneously set the date for June 4 rather than June 3. In that same letter the Albuquerque Office advised that Mr. Brumit had initialed the card and wanted it returned as the hotel preferred to retain the card and would produce it in response to a subpoena. This was done and the original was not used at the trial. A check with the hotel shows that all registration cards prior to 1957 have been destroyed.

In addition, a review of the record of the trial shows that the United States Attorney obtained the consent of Defense Counsel Emanuel Bloch to admit the photostat of the card without objection. When it was introduced, United States Attorney stated, "I will ask leave to read it to the jury and exhibit it to the jury, both the face and reverse side of the photostat received. May I proceed to read it to the jury." The record then states that Government Exhibit 16 was exhibited and read to the jury. Thus, the jury and all members of the Defense Counsel saw this card and had an opportunity to examine it. A reading of the summation made by the Defense Counsel in the trial shows that on several occasions he conceded that the testimony of Harry Gold was correct and that he was in Albuquerque on June 3, 1945. (Exhibit 16 is the June registration card)

Our files show that the registration card for the stay of Gold at the Hotel Hilton on September 19, 1945, was not introduced in evidence at the trial since it was not pertinent to the case. The original of the card was maintained by the New York Office until February 11, 1960, when it was destroyed in the normal course of purging files.

OBSERVATIONS:

The story of the hotel registration card of Gold is an obvious attempt to make an issue where none exists. We noted the discrepancy in the dates when we first obtained the card in June, 1950, and resolved the question. The United States Attorney read the front and back of the photostat of the card in Court and the jury and all attorneys were on notice of the discrepancy. It is felt we should respond to this request with a terse letter noting that these items are no longer available.
